9	Weight Capacity		120 kg
	Weight of Product		15.5 kg
11	Box Dimension		27*25*14 inches

## Testimonial

"My mother in law after an injury lost the confidence to walk safely. Everyday I would lift her manually to bathroom with the help of 2 more people, used to take around 30 min. I was experiencing back and neck pain recently. Arcatron has made this whole thing very convenient. I can now take her to bathroom alone in just 2-3 min without worrying about neck pain"

Mrs. Thanawala, Caregiver to her mother in law Home Maker, Pune, India
